Do you have any allergies? (Hair products, makeup, latex, etc.)

I understand that in order to receive the services listed above for me, the Bride, I must reserve an appointment for a Trial Run. The appointment for the Trial Run must be made 3-4 weeks before my Wedding Day. If there are additional to the contract within 2 weeks of the wedding, it is up to the stylist's discretion whether or not time is allowed. If there are any deletions to the contract within week of the wedding, it is up to the salon whether or not the service will still be charged for. The contract needs to be signed and back to the salon within 6 months before the wedding. On site weddings need to be paid 3-4 weeks before wedding.

We are so excited to part of this special day. We want this to be as less stressful as possible.
